BID REQUIREMENTS:

The undersigned has examined the location(s) of the work described herein and is fully informed as to the nature of the work and conditions relating to its performance and understands the quantities shown are approximate and are subject to either increase or decrease.

The undersigned hereby proposes to furnish all necessary equipment, tools, apparatus, and other means of construction, do all of the work, furnish all materials except as otherwise specified herein; and, for the unit prices named in the **attached Itemized Bid Form**, to complete the work herein described in strict accordance with the plans and the requirements of these bid documents.

The undersigned further proposes to perform extra work (for items that are not included with the itemized form) that may be authorized by the Benzie County Road Commission (BCRC). Compensation for extra work will be made on the basis of an agreed upon unit price prior to performing the extra work.

SPECIFICATIONS AND PLANS:

All materials, equipment, and construction methods used on the project(s) shall be in accordance with the applicable sections of the Michigan Department of Transportation (MDOT) 2012 Standard Specifications for Construction, MDOT supplemental specifications, and the attached project work logs, plans, special provisions, and other bid documents.

INSURANCE REQUIREMENTS:

The successful bidder shall furnish proof of standard Owner's Protective Liability and Owner's Protective Property Damage Liability Insurance within ten days upon notification of award of the Contract and prior to beginning work on the project(s). The following minimum requirements must be included on the certificate of insurance:

Bodily Injury or Death Liability:

Each Person.....	\$500,000
Each Occurrence.....	\$1,000,000
Aggregate.....	\$2,000,000

The permittee or contractor shall name the BCRC as additional insured, by name on the certificate of insurance worded as follows:

“The Board of Benzie County Road Commissioners, the Benzie County Road Commission, and their officers, agents, and employees, are named as additional insured parties.”

DELAYED ACCEPTANCE, FINAL INSPECTION, AND PAYMENT TO CONTRACTOR:

A minimum of 14 days after completion of the project, the BCRC Manager and/or Construction Supervisor (or designated representatives) will inspect the project with the Contractor. If deficiencies are found, corrective work is required. Complete all corrective work within seven working days of the inspection, or by an agreed upon date. All costs associated with completing this corrective work, to the satisfaction of the BCRC, will be borne by the Contractor.

The BCRC will not pay the Contractor for the work performed on the project until after the inspections are completed, corrective work is completed (if necessary), and the project is accepted by the BCRC.

PROJECT QUANTITIES AND INVOICING REQUIREMENTS

The Contractor shall document and record the “As-built” quantities for the pay items for the project as the work is being performed.

The Contractor shall provide load tickets for materials placed (HMA, aggregate, etc.) on the project to the BCRC and/or their representatives.

“As-built” quantities will be verified by the BCRC and/or their representatives.

It is important for the Contractor to provide accurate documentation and invoices to the BCRC for review, consideration, and processing.
