Records Located on Website

Benzie County Road Commission administers and maintains an official internet presence. Public records available on that internet site at the time the request is made are exempt from any labor charges to redact.

If the FOIA Coordinator knows or has reason to know that all or a portion of the requested information is available on its website, the Road Commission will notify the Requestor in its written response that all or a portion of the requested information is available on its website. The written response will include a specific webpage address where the requested information is available. On the detailed cost itemization form, BCRC will separate the requested public records that are available on its website from those that are not available on the website and will inform the requestor of the additional charge to receive copies of the public records that are available on its website.

When BCRC has included the website address for a record in its written response to the Requestor and the Requestor thereafter stipulates that the public record be provided to him or her in a paper format or other form, including digital media, BCRC will provide the public records in the specified format (if BCRC has the technological capability) but will use a fringe benefit multiplier of 40%, not to exceed the actual costs of providing the information in the specified format.

Request for Copies/Duplication of Records on BCRC's Website

I hereby stipulate that, even if some or all of the records are located on BCRC's website, I am requesting that BCRC make copies of those records on the website and deliver them to me in the format I have requested above. I understand that FOIA fees will apply.
